

LIVE GLOBAL

In the past 25 years, God has blessed us with:

**125+ National
Partners**

50+ Countries

**60+ Full-Time
Missionaries**

Our strategy is simple:

We don't initiate, own, or control ministries.

Instead, we come alongside national partners to encourage, equip, and care for them as they lead ministries worldwide.

We have longstanding relationships with these leaders. Because of this, we can vouch for their ministry and character. Our partners and our team have shared vision, shared ministry, and shared accountability.

You have a role

We are persuaded every believer has a part in the Great Commission.

We are prayerfully recruiting three specific groups of people:

- **50 Pastors** to help with international training
- **50 Digital Techies** to help with design, videography, programming, social media, etc.
- **50 Full-Time Missionaries** to serve our partners
