

# HOW TO PRAY FOR YOUR VIRTUAL MISSIONS CONFERENCE

## Begin with Praise

Psalm 66 – Worship the Lord and give Him praise as preparation for your conference. Thank him for His marvelous works among the nations He has already done and is still doing.

---

## Seek Wisdom and Guidance

James 1:5 – Ask God to give you and your planning team wisdom and guidance as you manage logistics, engage your group, decide on an emphasis, and seek to serve the nations in missions during the pandemic and beyond.

---

## Pray for the Nations

Revelation 7:9 – We know the end of the story: that some from every tribe, tongue, and nation will worship the Lord before the throne. Pray for those who have yet to hear the Good News. Pray for believers across the globe who are ministering in their own cultural contexts.

---

## Pray for the Attendees

Matthew 9:37-38 – The harvest is plentiful and the laborers are few, so we trust that each worker who goes out will abundantly reap. Pray that your attendees will become laborers.

---

## Ask God for Next Steps

James 1:25 – Pray for God to mobilize your conference attendees to opportunities to serve globally. Pray they will engage in at least one of five ways to do meaningful missions during a pandemic.
